COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Attention Commissioner:

This is in response to the Notice of Allowance mailed January 6, 2012. Applicants point out that the reasons set forth by the Examiner are not the only reasons that these claims are allowable.

Applicants agree with the Examiner's Reasons for Allowance in the Notice of Allowance to the extent that the claims of the present application are patentable over the references in the record. However, Applicants do not necessarily acquiesce or agree in any manner as to the comments made by the Examiner regarding what the prior art does or does not teach. In addition, Applicants respectfully traverse the Examiner's Reasons for Allowance to the extent that any comment is intended or has the effect of limiting a claim scope, explicitly or implicitly, by not reciting verbatim the respective claim language, or is intended or has the effect of limiting a claim scope by stating or implying that all the reasons for patentability are in any way fully enumerated.

Further reasons for allowance beyond those enumerated by the Examiner are described and set forth in the Applicant's specification. As the Examiner's reasons for allowance are not exhaustive, such reasons for allowance do not establish an estoppel against Applicants seeking and obtaining allowance of additional, broader claims in a continuation application.

Respectfully submitted,
